

Call for nominations for : the 2020 Dominique Givord Award for advancing Magnetism in Europe

Established in 2019 by the European Magnetism Association (EMA), the Dominique Givord Award for Advancing Magnetism in Europe is awarded every three years to an excellent Scientist (or scientists), who has significantly helped to push forward magnetism research and the magnetism community in Europe.

The award consists of a certificate, a medal, a monetary award of €3,000, an invitation to attend the JEMS in Lisbon and the award ceremony, and receive a travel allowance of €500 to that purpose.

The awardee will be selected by a committee composed of the members of the EMA General Council. Nominations may be made by anyone interested in the field of magnetism. Nominations for female candidates are encouraged.

Current members of the EMA General Council are ineligible to be nominated.

The nomination package should include:

- A completed nomination form, including a citation of no more than 50 words
- *Curriculum vitae* of the candidate, which must not exceed two pages in length
- List of the candidate's ten most significant publications, including citation information
- Commentary on the publications, which makes the case for the award, not to exceed two pages
- Up to three letters of support, up to a maximum of two pages each

The documents must be collated into a single pdf file called *Surname_EMA-DGA.pdf*, where *Surname* is the candidate's last name. The file should not exceed 20MB in size. **Nominations not conforming to these rules cannot be accepted.**

Nominations should be sent before **January 31, 2020** to the EMA Awards Officer by e-mail to Christian.Back@tum.de, and a copy to the EMA President (Burkard Hillebrands) at hilleb@physik.uni-kl.de.
