Between the
Asian Union of Magnetics Societies (AUMS)
And the
European Magnetism Association (EMA)

To encourage the exchange and dissemination of technical information, and to promote understanding and cooperation between the members of the Asian Union of Magnetics Societies (<http://www.icaums.org>) and the European Magnetism Association (EMA) (<http://magnetism.eu>) these Societies have entered into an agreement on the following matters:

1. ACTIVITY COORDINATION

Both AUMS and EMA have strong programs of technical meetings, and each can benefit from cooperative activities.

- A. **CONFERENCES:** Plans and schedules for international conferences will be exchanged between AUMS and EMA. Organization of conference sessions in the meetings of AUMS and EMA will be arranged as opportunities arise. AUMS and EMA will seek to form partnerships for co-sponsorship of international conferences when practical and in the best interests of both organizations to do so.
- B. **SCHOOLS:** Plans and schedules for schools will be exchanged between AUMS and EMA. Students of one Society can be reciprocally invited by the other Society which organizes a school. Joint summer schools can be organized when practical and in the best interests of both organizations to do so.

Respective Coordinators for the International Relationships of AUMS and EMA will be nominated by each Society.

2. OTHER JOINT ACTIVITIES

AUMS and EMA may, subject to agreement on specific items, enter into joint projects, events, and products such as forums, publications, electronic publishing initiatives, standards, educational materials, etc.

AUMS and EMA may link the specific initial activities on each Society's web site to the web site of the other and send, for reciprocal advertisements, relevant messages to their own members on behalf of the other for promotional purposes (membership, publications, conferences, and other products and services), which are routinely accomplished by the staffs of the two organizations.

3. REVIEW, AMENDMENT AND TERMINATION

Amendments to the agreement may be proposed at any time, but will not be valid until both AUMS and EMA have approved them.

The term of this agreement shall be from the date of its execution to 31 December 2021, subject to termination by both parties on three months' notice in writing.

Renewal is contingent upon approval by both societies.

This agreement comes into force by the signatures of both parties.
